BREEDERS CUP 2006

Breeders Cup - Kentucky & Las Vegas

2nd - 10th November 2006

totesport

Picture this....you're sat watching the Breeders Cup in the bright sunshine, the day after a hosted excursion through Blue Grass Kentucky Horsefarm Country, safe in the knowledge you'll be enjoying four nights at the World famous Bellagio Hotel in Las Vegas over the next few days. What could be better?

This years Breeders Cup will be hosted by Churchill Downs, which is home of the Kentucky Derby and possibly the Worlds most famous racecourse. Back in 1998, the last time the race was hosted in Louisville, over 80,000 spectators wagered over $100million – a record for the Breeders Cup that has still to be beaten to this day. The Breeders' Cup remains the definitive test of champions and has become racing's most recognizable and successful showpiece.

Join us later this year for our luxury holiday staying at the 4* Hyatt in Lexington for the races, followed by four nights in cosmopolitan Las Vegas. Full package details can be found overleaf.

This trip is strictly limited to only 50 places due to ticket allocations, and will be sold on a first-come-first-serve basis. Call today to secure your place.
